## DETAILED ACTION

Applicant's argument filed on 3/14/05 has been persuasive and therefore, rejection of claims 1-9 has been withdrawn. Application is in condition for allowance.

## **Reasons For Allowance**

The following is an examiner's statement of reasons for allowance: Applicant's argument filed (pg 4-6) has been persuaded the examiner to placed this application in condition for allowance.

Claim 1 is allowed because the prior art of record fails to teach or suggest a chassis including a first recessed portion having a first depth and on which the light source is located and a second recessed portion having a second depth deeper than a second first depth and a size adjusted for the light guide plate and on which the light guide plate is located. Claims 2-8 are allowed because being depended on base claim 1:

Claim 9 is allowed because the prior art of record fails to teach or suggest a chassis including a first recessed portion having a first depth and on which the light source is located and a second recessed portion having a second depth deeper than a second first depth and a size adjusted for the light guide plate and on which the light guide plate is located.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communication from the examiner should be directed to Ali Alavi whose telephone number is (571) 272-2365. The examiner can normally be reached between 7:00 A.M. to 5:30 P.M. Tuesday to Friday. If attempts to reach the examiner by phone are unsuccessful, the examiner's supervisor, Sandy O'Shea can be reached at (571) 272-2378 or you may fax your inquiry to the **Central Fax** at (703) 872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
